Abstract

This research have a known character who lived in paganism and Islam to be a contemporary with a number of **Amoeen Kholawfa** and his leader Army. He is Al- Mohalb Bin Abe- Safra. This character didn't appear suddenly on the political and administrative battlefield. His family facilitate the way to appear in his family as character on the political and administrative life .He was received his family to degree of Political and administrative leaders about the way of battle that who leads against a dissident and the occupied. He was a famous between his child. In addition to chooses from his father to be testamentary gaudiness from all the sides political, and social that he was made him leader and prince to this family. He was a prince for Khweasan after him. He was success in administrative the countries political the people. That he was not successes to sustsafiy the people that the prince of Iraq cutting on him out called " Al- Hajaj Bin Yousif Al- Thaqafee" that he was appear to affect and impression him and after duration could escape from the permission to be back again a prince for Khwrsan with anew Khleafa he was allied to him. When he was a second reign to him could lead anew war against new countries the most famous from it Jarjan – and Tabarstan.

Then enter to prison of Omar Bin- Abd- Al- Aziz because the sum of money that he was with him from that occupation that acquired by Omar in it. Then Al- Mohab escape from the precession to face in anew khleafa that he was "Yazed bin Abd- Un- Malak". He to be out of the deposition and not obbay him. Then finished his arrived to be announced a revolution against the central authority in Demouses that lead on his and brother life. Then he turned from more friends to the Amoian state to an enemy that finished his all its services in instantly.
