## **Abstract**

This manuscript is an interpretation of the Quranic verse (Indeed, we offered the trust to the heavens and the earth and the mountains, and they declined to bear it and feared it; but man bear it. Indeed, he was unjust and ignorant) performed by the Sheik Ibrahim AlMa'mooni AlShafi'ee (may Allah have mercy on him, is considered an important one that scholars and researcher can make use of it as it involves many benefits and scientific obligations. The phrases involved in the interpretation of this honorable verse (Indeed, we offered the trust to the heavens and the earth and the mountains..) comprises advantages and scientific value to clarify and explain the vital meaning of the trust in this verse which is mentioned more common than the deposits meaning. It is noticed that science per se and learning it is a trust, worships and transactions and treating the others are also included within the field of the trust that Almighty Allah commanded us to preserve it and adhere to it. in this manuscript, the author was very creative in terms of it content and the scientific richness it involved in addition to the accurate interpretation. He also, added some interpretation nice gestures that are related to the science of occasion and related them to other Quranic verses and showed scientific cohesion. Moreover, other notable scholars testified to him that he had a great contributions and also was highly knowledgeable in various sciences and mastered them as well as the various books he wrote and the brilliant students graduated from his knowledge school. The researcher, chose this manuscript as no scholar before him dealt with it in terms of commentary and thus decided to work on it after seeking assistance from Almighty Allah. He commenced his commentary on this manuscript, identified the methodology of the author adding to that several information from books and references. The

ultimate hope of the researcher has been to make a certain attempt that might contribute to the revival of the Islamic heritage in a way that assists and benefit the readers through their acquaintance with this valuable material that can now see the light. Finally, we ask Almighty Allah to guide us to the most righteous path as He is the only one who is worthy to do so.
