### Abstract

Praise is to Allah and peace and blessing be upon our prophet Al – mustafa , his family and companions , and those who guided by his guidance.

This letter is dealt with the study and investigation of the explanation of (Al–Hashia of sharh al- Manhaj) book (1024 A.H.).

Which was spread to all countries, and countless copies were written from it. The author has explained the text in a full brief and concise way.

He began his letters as he promised (may Allah have mercy on him) so he was the key to the reader's to understand the book, whether he is a beginner or an advanced student or an advanced student, in addition to Al – sheikhs and scholars, as well not mentioned in many books, so it was a great, useful, containing many pearls from many books.

Book: (Footnote on Sharh al-Manhaj) by Nur al-Din al-Ziyadi Ali bin Yahya, is a commentary in which he deals with the book of purity, ritual impurity, washing, tayammum, prayer, the recipe of prayer, prayer times, and the chapter of menstruation, and conveying the opinions of other scholars about it. And also it is an explanation of the book (Fath Al-Wahhab bi Sharh Manhaj al-talaba) and a statement of his opinion and the a collection of what is in the books and presented it to us as a precious valuable book which will be found during the reading of this book.
