Abstract

Thank God the Lord of the worlds and prayer and peace be upon our Messenger of Allah Muhammad and on God and his companions all Surat Al- after: The study was entitled " The Rhetoric of Restriction in Hajj ". The nature of this study required that you graduate in a prelude, several chapters, a conclus Prelude and include: A definition of research terms (definition of rhetoric, divorce, restriction language, terminology, term of restriction in different sciences, what is the Holy Koran and its name, and preference for the Holy Koran and its subjects.). Then the chapters of the letter, which came Chapter I: Verbatim verbatim verbatim verbatim verbatim verbatim verbatim verbatim verbatim verbatim. Chapter II: Communication of restriction, status and discrimination, divided into four inquiries: "Communication of restriction", and "Communication of restriction";First: communication of derogation, second communication of derogation, third communication of derogation, fourth communication of derogation and discrimination. Chapter III: Declaration of Restriction of Dependencies, divided into three investigations. First: Statement of Restriction of Compassion,The second is the statement of restriction of the name, and the third is the statement of restriction of the allowance. Chapter IV: Communiqué of restriction of other instruments, divided into four investigators. First, communiqué of coercion; second, denial of restriction; third: declaration of resThe third: the statement of restriction on the condition, the fourth the statement of restriction on the conscience of the chapter, the conclusion with the most important findings and the indexes.
