Abstract

All praise and thanks to Allah the exalted, the Lord of the universal and may *prayers and peace be upon our* Prophet Mohammed, his relatives and his companions, later. The current thesis is entitled with (the hadiths efforts for the Imam ibn Khuzaima in his book "Al Tawheed-applied and critical study), concludes the following results: Theoretical section. Scholars agreed that his name is Mohammed ibn Isyiaq bin Khuzaima, born in (223 A.H) and died in (311 A.H) Mohammed, Al-Fadhil and Abi-Nasir are his sons, Abo-Atahir, abo-Ali Ahmed and Alfadil bin Mohammed. The Ibn Kuzaima Imam was scholar, Memorizes Quran and worshipper even he named as (The Imam of Imams). He has many Sheiks, in his Books (Al-Tawhid) has accounted (157) Sheikhs, and has a lot of Scholars nearly (133) scholars has been accounted and has so much of compilations the most famous of his books are AL-Sahih, Al-tawheed and has many lost compilations nearly (48) complication books. He has also a manuscript revealing the significance of supplication and supplication's commentary that reported from the prophet (peace and blessings be upon him). Many scholars said about him many quotes about his favor and knowledge. He wrote Al-tawhid books in order to respond the groups that appeared in his era, Ibn-Kuzaima has characterized (145) words from his Sheikhs and he required him self in this book many conditions including health, uprising and proof Almighty Allah's competence, narration from upright persons, linked of reliable *sanad*, not to guiding to the sender, paused and untenable reports and standard comparison and another conditions, the traceable Hadith in al Tawheed book (655) books and the stopped who has the same judge of traceable *Hadith* (33) Hadiths and has (57) discontinued Hadith and (6) incompletely transmitted Hadith , (30) paused Hadiths, (91) and intially omitted hadiths, the approach of commentary and doctrine. He has many linguistic idioms reached to (34) positions in Al-Tawheed

book in addition to reveal some of his shiekh's linguist idioms . he has approach to clarify these Denotations and examples. While the practical section. The Imam Ibn-Khuzaima proved the prophet's companions in two positions and reveals the modification of narrators in (16) issues and criticism of narrators in (19) issues, identify the listener of narrators in (4) positions and the detachment of Hadith Sanad in (4) positions and shows the strange of Hadith Sanad in one positon and reveals the identical Hadith in (7) positions, and hadith context judgment in (9) positions and (25) with cerfitifed narrator of hadith and reveals the inserted hadith on one position, and between the traceable and paused is (10) positions, opposite narrations in (2) positions , continued and paused hadith in (10) positions, additioned in pne postion, ambigious narrations in (17) positions, ambiguous hadiths in (5) positions inserted hadith in one position, and more are connected Sanad in (2) positions and reveals the texts and more of connected Hadiths in two positions and reveals the neglected of narrator's name in (2) positions and reveals the name of narrators and identifies them in (7) positions and reveals the nickname of narrator in (1) issue and reveals the kinship of narrators in (1) issues and reveals one issues and reveals the linguist pronounces in (34) positions and the Sheikh's name in (34) position and reveals the sheikh's clarification of the meaningful linguist in (1) position. The thesis concluded many recommendations to scholars and it is study of linguistic issues of Imam ibn-Khuzaima and it accounted in (34) issues also study the linguistic issues of Imam ibn-Khuzaima accounted (34) issues and also studies the doctrine issues in Tawheed book which included (84) chapters and talks about (14) issues in details. And the last of our prays is thanks to Almighty Allah the Lord of the universal and may *prayers and peace be upon our* Prophet Mohammed, his relatives and his companions.
